Change Detail	
<b>Description of Change</b>	TT Electronics is announcing that the LH3 families are being taken End of Life, (EOL). This applies to all variants of the series. The list of all the part number can be found in Appendix 1.

<b>Reason for Change</b>	Declining volumes along with maturing manufacturing equipment does not justify a long term manufacture of this product group.
<b>Implementation Plan</b>	Declining demand coupled with manufacturing equipment failures means it is no longer possible or economically viable to manufacture these products.
<b>Customer Impact</b>	All part numbers are end of life with immediate effect. Last Time Buy is possible until Sep 30, 2024.
<b>Recommendations</b>	Deliveries up to Dec 31st, 2025. All orders scheduled for delivery in 2024 will be on 2024 pricing. All orders for delivery in 2025 will be priced after complete LTB volume is established as subject on volume, raw material pricing and factory capacity.
<b>Availability of Previously Manufactured Product</b>	N/A
<b>Availability of Approval Samples</b>	N/A
